THE STORY SO FAR...

The American West has spawned many legends, but none so bloody and tragic as the tale of Ivan Isaacs. A newly ordained Catholic priest and scholar, Ivan's first assignment after seminary was to decrypt the Domas Porada, an unholy sarcophagus located in Stonetale Abbey. He managed to unlock the ancient tomb, but at a terrible cost—Not only did he release the fallen archangel Temozarela from a five hundred year slumber, but he lost his own life, as well as the life of his one true love, Gena.

In order to get revenge against the one who destroyed his life and atone for his sin, Ivan made a pact with the devil Belial—his soul in exchange for the power to fight the darkness. Now Belial haunts his footsteps, waiting to take Ivan's body as well. Tormented by evil on all sides, Ivan knows he can never find peace. All that keeps him moving is the flame of rage that burns within him. He's the latest avatar in a war that has been fought for millennia.

Until now this war of the damned has remained hidden from the secular world, but no more. Temozarela's plague is now corrupting the bodies of all it touches, turning them into the walking dead. Coburn, a federal marshal, is leading an expedition to get to the bottom of the situation. His key to finding the truth is Lizzie, leader of a band of outlaws who he saved from the gallows. She is the only person to have survived an encounter with Temozarela's forces. Together they search for Ivan Isaacs, the pale-faced preacher who is the only one with the answers they need.

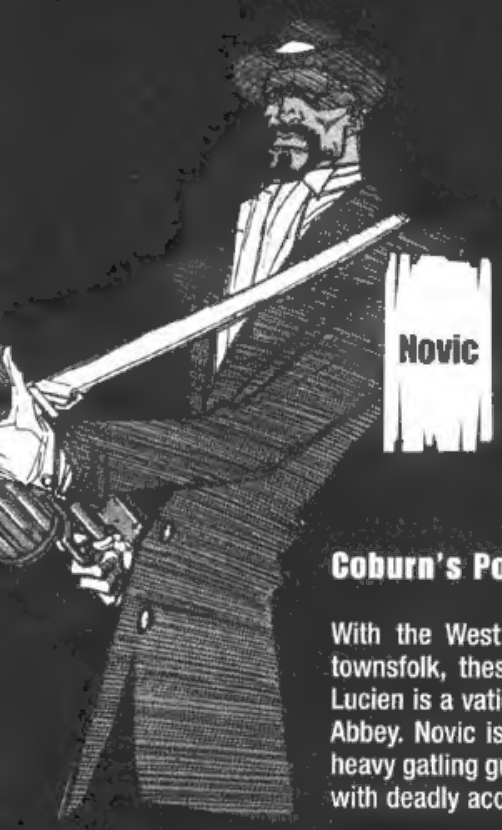
THE CAST OF CHARACTERS

TEMOZARELA

During the war against Lucifer, the archangel Temozarela led the agents of light. In the years that followed, Temozarela watched as God's attention shifted from his seraphim to his new creation—man. Jealousy caused Temozarela and his disciples to abandon their heavenly post and attempt to corrupt humanity to prove the superiority of the seraphim to God. During the Crusades he attempted to begin his plan, but Belial sealed him in the Domas Porada for 500 years. Now, released by Ivan Isaacs, Temozarela is free again, but too weak to carry out his dark designs. His disciples have begun sanctifying the ground in the American West, spreading plague and death in preparation for the Unholy Sabbath.

Ivan Isaacs was a young priest with a passion for ancient cultures when he was recruited to study the Domas Porada. Little did he know that this mission would be his last -- at least his last in life. After helping revive an ancient battle for Heaven and Earth, Ivan and his beloved Gena were slain. In order to get revenge and atone for endangering the world, Ivan made a pact with the devil Belial: his soul in exchange for a second chance at life ... and superhuman strength. Now Ivan wanders the old west, hunting down Temozarela's disciples and keeping a journal of his tragic tale.

Gena Isaacs was an only child, so her father Jacob adopted Ivan to keep her company. In time the two developed a mutual love that went beyond sibling affection, much to their father's dismay. Jacob sent Ivan to seminary, but the young would-be lovers' feelings remained. Before Ivan could act on his feelings, Gena was captured and killed by agents of Temozarela.



Coburn's Posse

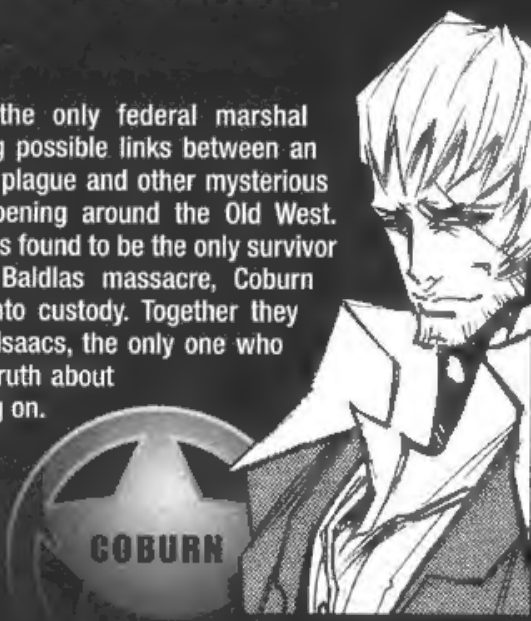
With the West filled with outlaws, corrupt lawmen and superstitious townsfolk, these companions are the only ones Coburn trusts. Father Lucien is a vatican envoy sent to investigate what happened at Stonetale Abbey. Novic is a Civil War veteran and mute who aids Coburn with his heavy gatling gun. Cairo is an old friend of Coburn's who throws his knives with deadly accuracy.

Lizzie inherited leadership of the Angel Gang from her father. She's loved by her men, and feared by everyone else. She has more of a conscience than some of her fellow outlaws, but her hands are not clean of blood. Her rational world was shattered when her path crossed that of Ivan Isaacs. Now trouble seems to be her only friend. A hanging, a lynching, even a zombie curse -- she just can't seem to get a break these days. During the St. Baldlas massacre, she was bitten by one of Temozarela's zombies and her blood now bears his curse.

The devil Belial makes Ivan his agent in the mortal world so that he may battle the agents of the fallen Arch-Angel Temozarela, who is planning an upheaval of Heaven and Hell. Belial used to be Betheal, a Catholic priest in the Middle Ages when he we was a prosecutor in trials of heresy. After Temozarela shattered his faith, Betheal turned himself into the demon Belial in order to get his revenge.

BELIAL

Coburn is the only federal marshal investigating possible links between an outbreak of plague and other mysterious events happening around the Old West. After Lizzie is found to be the only survivor of the St. Baldlas massacre, Coburn takes her into custody. Together they follow Ivan Isaacs, the only one who knows the truth about what's going on.



PRIEST

Everybody wants a piece of Ivan Isaacs. The agents of the fallen angel Temozarela want to destroy him. The law has a bounty on his head, not knowing that no mortal man could hope to take it. The one who needs Ivan most of all is Coburn, a US Marshall who leads a team in an investigation of the recent string of "unusual" incidents around the Southwest. His only lead to finding Ivan is Lizzie, former leader of the Rebel Angels and the only surviving witness of the St. Baldas Massacre. Lizzie needs Ivan too—he might be the only one who can help her cure the plague she contracted from her encounter with Temozarela's agents.

"Succeeds in fusing unabashed and exhilarating action with spiky intellectual matters... Each chapter adds a new layer of queasy delight."

- Mike Carey, writer for Lucifer and Hellblazer

"Priest is a series that keeps getting stronger with each volume with a story that goes into unexpected directions at the turn of a page."
